KEY ACHIEVEMENT

Since day one of my undergraduate career, I've immersed myself in competitive programming, conquering over 800 problems across online judges and honing my skills in countless local and online contests. This rigorous training complements my experience developing and maintaining mobile applications for diverse local and foreign clients. Ready to apply my sharpened problem-solving and technical expertise to impactful projects.

TANVIR ISLAM ROBIN
CURRICULUM VITAE

PERSONAL STATEMENT

I am a focused Computer Science undergraduate student pursuing a Bachelor of Science in Engineering at Patuakhali Science and Technology University. My academic journey has been complemented by hands-on experience, with a specialization in mobile application development. I am proficient in Flutter UI, Widgets, REST API integration, State Management, Firebase, and possess comprehensive knowledge of the mobile app life cycle for both Android and iOS platforms.

My commitment to excellence is evident in my academic achievements, and I am known for my diligence, adaptability, and fast learning abilities. Beyond coursework, I actively engage in competitive programming to enhance problem-solving skills and demonstrate my ability to thrive in dynamic environments.

I am eager to apply my skills to contribute effectively to projects, confident in my capacity to excel in the ever-evolving realm of computer science.

WORK EXPERIENCE
